## CONCEPTUM® NOTEPADS AND JOURNALS

Inspire your customers with a whole new CONCEPTUM® category.

### **Write & Note – an everyday business in the professional world.**

In a business life and in an everyday office life there will be customers who won't resist on notebooks and notepads for examples: in meetings, during telephone calls, in client meetings or simply on a daily work.

### **For each customer the right product.**

### **For the manager, the staff, the assistant and much more.**

Offer your customers a wide product range with different functionalities and price classes for writing and recording with style.

Now there are spiral and notepads in the noble CONCEPTUM® Look & Feel.

## CONCEPTUM® SPIRAL NOTEPADS

The noble alternative to ordinary wirebound notepads.

### CONCEPTUM® Spiral notepads

- High quality notepad with spiral binding
- With solid, sturdy cover in black
- Unique softwave-surface ensures purist, straightforward business look

### Practical, stable and versatile.

#### Practical:

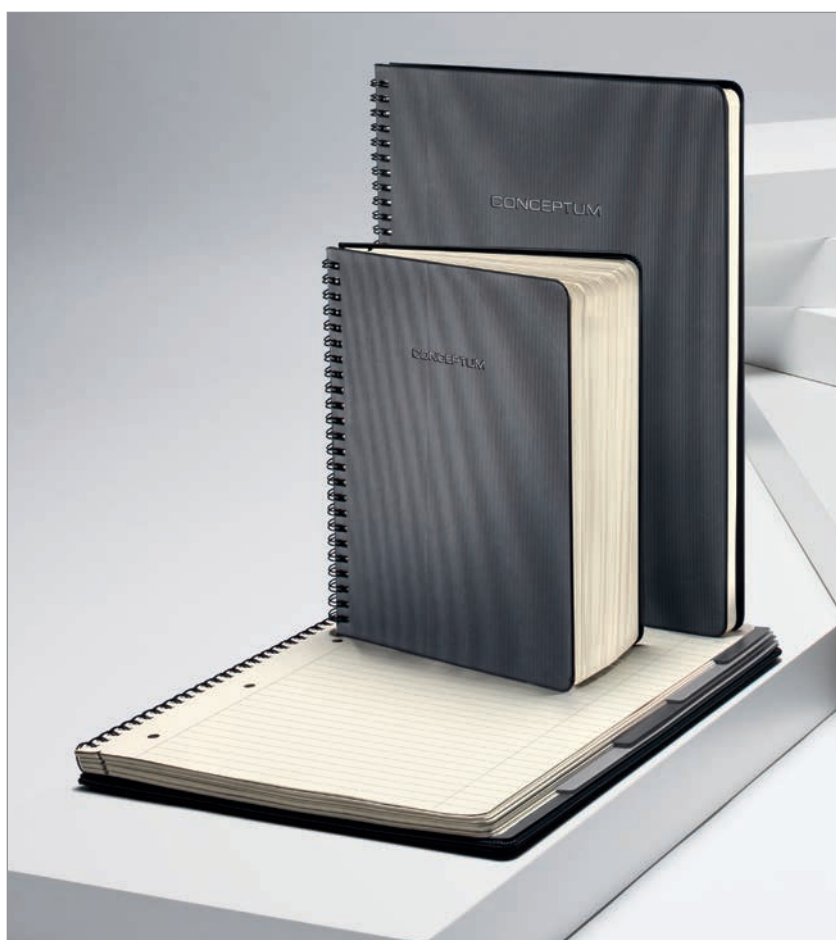

- Durable metal double spiral for as many times as necessary
- Pleasant writing due to the flat position of the pages during the impact
- Slip pocket for storing loose sheets in the back cover

#### Stable:

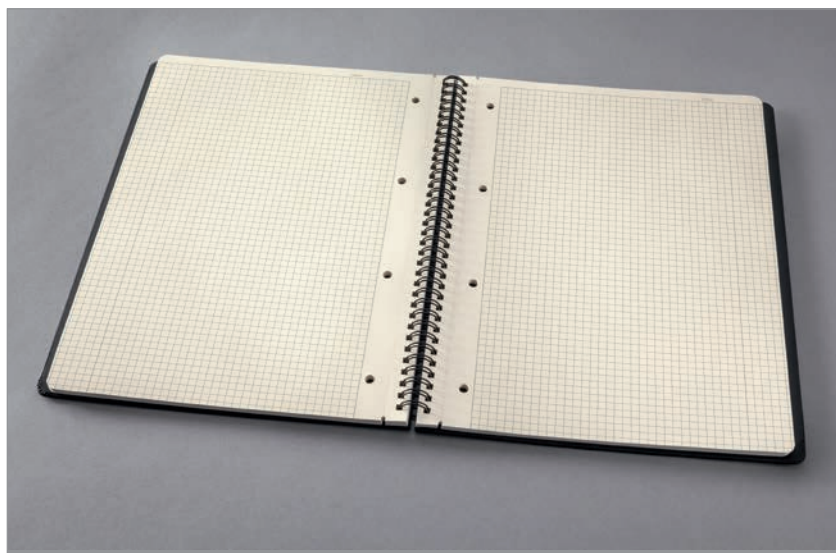

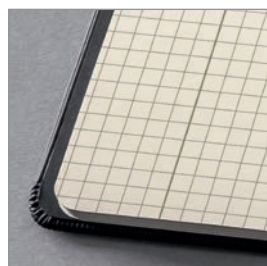

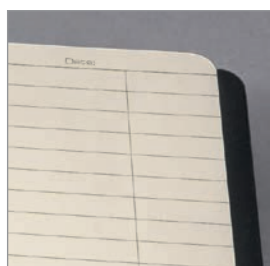

- Solid front and back cover
- Ensures stability and value

#### Versatile:

- Perforated, pages for sharing or archiving notes
- With or without moveable register
- For structuring entries

Headline for date and remote edge to note from To Do's Responsibilities, Appointments etc.

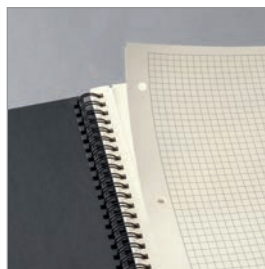

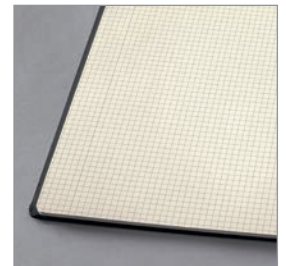

## CONCEPTUM® SPIRAL NOTEPADS

With or without a practical register.

### Conceptum® Spiral notepads in detail.

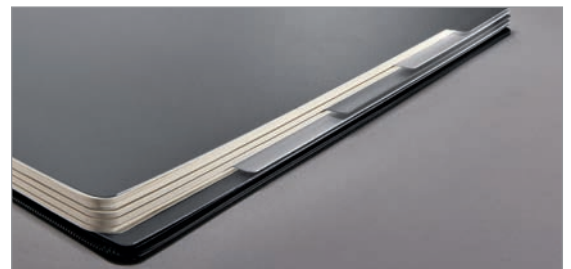

- Spiral Notepads with black metal double spiral
- Cover: Hardcover, black software-surface
- 160 micro perforated sides with 2- (A5) or 4-point perforation (A4)
- Chamois color paper, 80 g / m<sup>2</sup>,
- With rounded corners
- The back cover also got a quick pocket on the inside
- With or without removable, stable, 2-colored plastic register
- Pages format: DIN A4 and DIN A5
- Lines: checkered or lined

### Spiral notepad with register

The business block with added value: integrated register for structuring the notes for example for project planning or at meetings.

- The Register can be moved it also can be positioned arbitrarily in the block
- It has 5 register pages, made of sturdy plastic
- Bicolor partly for better orientation

#### Without Register With Register\*

Approx. A4: **No. CO 820** **No. CO 840**

\*approx. A4: 246x301x18mm

**Spiral notepads**

**Spiral notepads with plastic register**

## CONCEPTUM® NOTEPAD

A note block with style.

### CONCEPTUM® Notepad

- Noble notepad with adhesive binding
- With a beautiful black cover in the CONCEPTUM® look: the unique softwave-surface makes the note block skillfully in scene

**It's functional and perfect on the way.**

#### Functional:

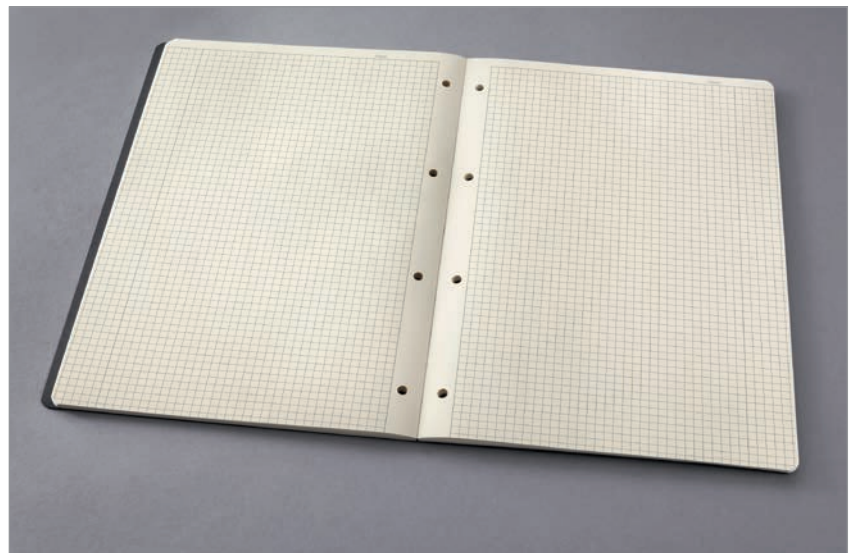

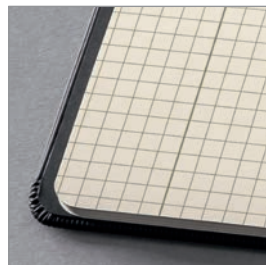

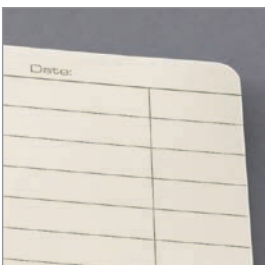

- Adhesive binding for easy screen printing
- Perforated pages for sharing or archiving notes
- Flexible front cover can be folded back completely (adhesive binding with open back). It bothers therefore not in writing and takes on the desk less space

#### Practical for travelling:

- Strong, stable, back cover, similar to a clipboard for greater stability when writing

Header for date and remote  
Edge to note from To Do's  
Responsibilities, Appointments etc.

## ACCESSORIES // MAGNETIC GLASS BOARDS art**verum**®

New products, which will ensure more sale.

NEW & UNIQUE ONLY AT SIGEL:

Glass board markers are now also available in white!

*Perfect for black and  
coloured magnetic glass boards*

*Writes instantly, with good coverage!*

### Get yourself this innovation: white glass board marker.

- For dark-colored magnetic glass boards
- Writes and covers the writing surface instantly – no need to pump the nib
- Ink-based markers with chalk pigment ensures good coverage
- Easy to erase with a damp or dry cloth
- Medium round nib, line width 2-3 mm
- Store flat or upright with the lid facing down
- 2 pens // white // **No. GL 715**
- The Board marker are suitable for almost all closed surfaces

### For a wide range of applications

The white board markers from the Sigel range are ideal for customers who want to get straight down to the business of writing. The pens are ready to use right away, without pumping the nib.

**In business:** on magnetic glass boards, glass boards or glass partitions.

**In the private sphere:** on magnetic glass boards, glass boards, windows or mirrors.

### ACCESSORIES // MAGNETIC GLASS BOARDS art**verum**®

Cleaning spray and cleaning cloths.

#### **Cleaning spray: spray, wipe – and the boards are clean.**

The glass board cleaner removes all traces of ink and dirt from magnetic glass boards, leaving them streak-free. Spray on and wipe off with a microfibre cloth (GL 189) or any other dry cloth – that's all.

- Practical pump spray with spray nozzle
- Removes all traces of ink left by glass board markers and all standard whiteboard markers, as well as dust and dirt, leaving the board streak-free
- Also suitable for removing chalk marker residue (First dry-erase the chalk, then clean the board thoroughly with the glass board cleaner)
- Suitable for glass and most sealed surfaces
- Cleaning fluid with a pleasant scent (with added fragrance)
- 12 pcs.=1 pack unit // 250 ml per bottle // **No. GL 186**

The product does not contain hazardous substances and does not have to be labelled as hazardous.

#### **Cleaning clothes: quick & easy – cleaning made simple.**

The cleaning cloths are always on hand and remove all traces of ink and dirt from magnetic glass boards, leaving them streak-free. Remove a cloth from the dispenser and use it to wipe the board clean – that's all.

- User-friendly, moist cloths in a reclosable dispenser
- They remove all traces left by glass board markers and all standard whiteboard markers, as well as dust and dirt, leaving the board streak-free
- Also suitable for removing chalk marker residue (First dry-erase the chalk, then clean the board thoroughly with the cloths)
- Suitable for glass and most sealed surfaces
- Cloths with a pleasant scent, perforated for easy removal
- 12 pcs.=1 pack unit // 100 cloths in each dispenser // **No. GL 185**

The product does not contain hazardous substances and does not have to be labelled as hazardous.

## LED TABLE-TOP DISPLAY FRAMES luminous

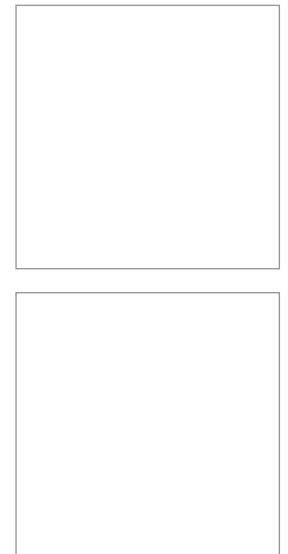

A innovative, unique new product range.

### Contemporary trends in Lighting.

Direct or indirect lighting, lamps or LED strips – illumination is an integral part of interior design, including the perfect positioning of accent lighting.

Light is used to showcase products and special offers, or to create the ideal (shopping) atmosphere. It is an essential element in shops, commercial buildings, but also in the home, in hotels and food outlets.

Make this trend part of your product range with the genuine innovation made by Sigel: "luminous", the illuminated LED display frames

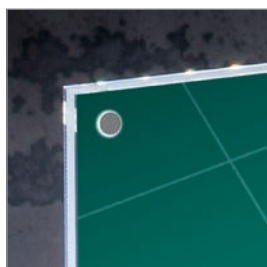

## LED TABLE-TOP DISPLAY FRAMES luminous

A striking addition to your product range.

### Innovative, high-quality and elegant-looking.

- High-quality, designer display frames
- Streamlined base made of glossy acrylic
- LEDs integrated in the base illuminate the content inside the acrylic panels
- Gives off a contemporary white light, similar to daylight (8500 K)
- Inserts are simple to swap over
- Formats: for A4, A5, A6, DL

### Flexible and portable.

- No electric cables necessary – battery-powered with 1.5 V AA batteries (A4 format: 4 batteries; all other formats: 2 batteries; batteries not included)
- Burn time approx. 250 hours (with one set of batteries)
- With an on/off switch
- Securely packed in high-quality sales packaging

## LED TABLE-TOP DISPLAY FRAMES luminous

Attention for your clients.

### Illuminated LED display frames – extremely versatile.

These LED display frames are absolutely eye-catching and are a unique way for your customers to showcase their special offers.

Extremely versatile:

- Food outlets, catering/party services, hotels
- Event planners, convention or exhibition centres
- Spas & wellness centres
- Shop windows or product presentation

## LITERATURE HOLDERS **acrylic**

The perfect addition to their range: two new brochure holders.

### **acrylic Series: quality and elegance, made of acrylic.**

There are now two new literature holders in the **acrylic** series.  
A wall-mounted literature holder in A4 landscape and an outdoor business card holder.

- They come in the usual **acrylic** design and quality
- High-quality, sturdy, transparent acrylic-material (2mm thick) combines the elegance of glass with the lightness of plastic
- High functionality and modern, contemporary clean design
- Premium quality: 25-year guarantee on the light-resistance of the acrylic (the material will not get yellow)

### **Wall-mounted literature holder in A4 landscape**

- Ideal for A4 landscape or folded A3 documents (newspaper format) e.g. brochures, magazines, newspapers, journals.  
Also suitable for extra-large formats (up to 32.2 cm in width)
- 1 compartment with a racking depth of 45mm
- With a slanted base: the contents slide forwards automatically and are easy to remove
- Incl. fastening material (screws, anchors, drilling template)
- Dimensions: approx. 330x172x55mm (wxdxh) // **No. LH 118**

slated  
base

**Outdoor business card holder**

- To present business cards, e.g. at entrance doors of shops, catering establishments, doctors' surgeries, beauty salons, hairdressers'...
- Ideal for outdoor use: weather-proof and UV-resistant
- Practical: the lid closes automatically
- Also ideal for displaying on tables at outdoor events (flat base)
- Slanted inside the base: the contents slide forwards automatically and are easy to remove
- For max. 60 cards up to 96x60mm in size
- Options for mounting: adhesive pad and screws (included)
- Dimensions: approx. 105x76x45 mm (wxdxh) // **No. LH 326**
