Описание: Frank & Bona (Tianjin) Fine Art Materials Tech Co., Ltd was established for the aiming to explore the new chemicals, new technology into the research and development of modern fine art materials, and innovated sets developing to meet the explosion of the demand from global consumers.

We are the brand owner of MULTIFUN, which covers all kinds of categories fine art materials, from traditional acrylics, watercolor, and oil colors, to novel water-mixable oil colors and various kinds of markers. The sales of the brand spreads all over the world, from USA to Latin America, from Vietnam to East Europe. We also provide premium private label service and are reliable partner to many global famous brands.

Our plant has an area of 8,000 square meters, which owns plenty of advanced equipment, could produce more than 5,000 tons of gouache and watercolor, 2,000 tons of acrylic per year. The plant passed ISO9001 certification....
